Progress of the Work of Suppression. We have finally got something like a correct report of the affair at Pensacola, on the 22d and 23d of November, from which it seems that the advantages were more in our favor than at first reported. Fort Pickens, it appears, is not harmed in the least, and the Niagara and Richmond were but slightly so. These vessels silenced Fort McRae and all the water batteries within their range. But one man was to camp, and the other continuing her perkilled on board the vessels, and one of Wilson's Zouaves, on the Island, Col. As the publication of the Auditor's annual message gave us command of a few days of leisure, we availed ourselves of the opportunity last week to make a hasty visit into Kentucky. This Society, auxiliary to the American Bible Society, held its anniversary at the M. E. Clmrch in this place, Sunday evening, the 15th inst. The agent, Rev. E. W. Smith, was present. From the reports of officers, we gather the fact that the sales of Bibles and Testaments in the year last past exceeds those of any preceding year. We take pleasure in calling attention to the " Prospectus" of this old and reliable fire-side companion. The GAZETTE has now attained its seventieth year, and is not only the best news-paper in the Western country but is read by as large a circle of readers, perhaps, as any paper in the United States. Those who have been in the habit of taking New York and other foreign papers, should at least give the GAZETTE a trial for one year, for it not only gives a larger amount of reading matter than any other paper, but labors to build up a reputation for Western men and interests. Read the prospectus.

Mothers, read this. The following is an extract from a letter written by the paster of a Baptist church to the "Journal and Mossenger," Cincinnati, Ohio, and speaks volumes in favor of that world-renowned medicine-Mrs. Winslow's Soothing Syrup for children

TEETHING: Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to our readers, that this is no humbug—we have tried it am know it to be all it claims.
